BECOME A MEMBER TODAY

Patron: His Excellency, Governor of Victoria

Better Hearing Australia was established in 1932 and is a national based organisation of branches, advisory centres and community groups working with people with hearing difficulties around Australia.

Better Hearing Australia (Victoria) is one of these branches and operates as a non profit organisation providing professional services and membership based activities.

MEMBERSHIP SUPPORT AND ACTIVITIES

We provide activities and programs offering support and information to members throughout Victoria. This includes social and support group activities, information sessions, discounts and special events. We also have a quarterly national journal and newsletters to keep you up-to-date on the latest in hearing services.

Be part of Australia's leading non-profit organisation for the entire hearing Impaired community

PROFESSIONAL SERVICES

We also have qualified health professionals who provide free, independent and current information and advice on all aspects of hearing loss management and hearing health care. This includes hearing screenings and information, Community Assistance Scheme, hearing loss management workshops, training and information sessions, hearing conservation advice and tinnitus information.
