

Better Hearing Australia (VIC) Membership 2018 - 2019

Better Hearing Australia (VIC) Inc was established in 1932 and is a not-for-profit organisation, providing the only free independent hearing loss management services and advice by qualified health professionals throughout Victoria.

As a charitable organisation, your membership and support is important in enabling us to continue to provide hearing loss management services to you and the Victorian community. Our services include advocacy, information and advice, hearing testing and hearing loss prevention, and tinnitus support.

Our Hearing Aid Bank program provides reconditioned hearing aids to vulnerable members of our community who would otherwise not be able to have the hearing health they need. The Victorian Hearing Aid Bank is the only hearing aid bank in Victoria.
