

Better Hearing Australia (VIC) Membership 2019 - 2020

Better Hearing Australia (VIC) Inc was established in 1932 and is a not-for-profit charity, providing independent hearing loss management services and advice by qualified health professionals throughout Victoria. Our clients come from all walks of life and include some of our most vulnerable.

As a charitable organisation, your membership and support is vitally important in enabling us to continue to provide hearing loss management services to you and the Victorian community. Our services include advocacy, information and advice, hearing testing and hearing loss prevention, and tinnitus support.

Our Hearing Aid Bank program provides reconditioned hearing aids to vulnerable members of our community who would otherwise not be able to have the hearing health they need.

Please show your support by completing the form below and returning with your payment to Better Hearing Australia (VIC), Level 2, 517 St Kilda Road Melbourne VIC 3004
